# Raider varsity track team wins dual, 73-63

A nine point edge in the field events helped propel the Raider varsity to a 73-63 dual meet victory over WaMaC conference rival in dual track meet action Tuesday, April 22, at Anamosa

The Raiders took first place in all the field events except the high jump, where Tipton's Miles won with a leap of 5'10". He won over Anamosa's Brad Bungum, who also cleared 5'10", but had more misses.

Anamosa also took third place in that event with Jay Norton's jump of 5'8''.

In other field events, Dan Rushford won the long jump, Joe Beadle won both the shot put and discus and Jeff Walker won the pole vault.

In the running events, Dan Lerch won the high hurdles and David Cox the low hurdles. First place finishes were also recorded by the 800-meter relay team, and 400-meter relay team and the 1600-meter relay team.

"I was real happy to get a couple of varsity and junior varsity wins from Tipton," Raider coach Ken Fearing

## **SPORTS**

## Joe Beadle brings home gold from Drake Relays

Joe Beadle earned a place in the sports record books at AHS April 24-25 as he placed first in both the shot put and the discus at the Drake Relays in Des Moines.

"I was real happy for Joe Beadle," Raider coach Ken Fearing said. "Joe is very deserving because of the amount of work he has put in the last three years.'

Fearing said to the best of his knowledge Beadle is the first Drake Relays champion in the history of Anamosa high school.

Beadle won the gold in the shot put with a put of 55'5"

and the discus with a school record throw of 172'3".

"I would also like to congratulate Al Anderson for the help he has given Joe," Fearing added.

"They both should be very proud of themselves as the school is very proud of what they have accomplished."

"I also feel the other boys who competed at Drake made a respectable showing for themselves and the school and we congratulate them for being invited to compete in this spectacular

Also invited to the Drake Relays for Anamosa were the 3200-meter relay team, the 1600-meter medley team, Tom Burke in the 1600-meter run and Dan Rushford in the long jump.

Tom Redmond, Dan Rushford, Jeff Norton and Tom Burke combined for a time of jump. Rushford scratched on

Anamosa scored in 16 of 19 events but didn't get the high placings it needed in the field events Monday, April 21, at the Maquoketa Valley Wildcat relays and had to settle for a fifth place finish in varsity girls' track.

The field events had been producing the bulk of points for AHS in past meets but were responsible for just 11 points at the Wildcat relays. A few more points anywhere would have made a significant difference in Anamosa's team placing as only seven points separated the second and fifth place teams.

"We went up to Maquoketa Valley knowing we could do quite well, however, we were a little disappointed in our field events," Raiderette coach Bill Oliver said.

"It's not that we didn't place, it is just that we didn't place as well as we had wished.'

"This probably resulted in our fifth place finish because there was only seven points separating second from fifth place.'

"As far as the entire meet itself, we are very happy. We placed in 16 of the 19 events, which must mean we have a certain amount of depth that wasn't evident before this time."

"One of the problem areas we had prior to this meet was the absence of quarter milers, but all of a sudden we had four of them show up and we ran a very good mile relav.'

Placings for Anamosa in the meet were:
